A MESSAGE FROM THE SHERIFF

Dear East Baton Rouge Parish,

I am honored and humbled to continue to serve as your Sheriff for another term. In the past 12 years we have made great strides together to make our community stronger, safer and more united than ever before.

I hope that this annual report will give you some insight into the efforts made throughout the year by our various divisions. We strive to not only prevent and solve crimes, but to also strengthen our relationships with those who we serve.

I pledge that we will continue to make advancements in technology, services, training, security and outreach. Working closely with our community partners, we will continue to adapt, overcome and combat criminal activity that jeopardizes the peace and well-being of our families.

I am incredibly grateful for the men and women that serve this agency, our parish and our community. I am also grateful to serve a community comprised of so many dedicated and caring residents. I pray for the continued protection of those that protect and serve; for healing for those that have been injured or lost those they love; and for continued progress in keeping our parish stronger, safer and better together!

Sincerely,
