EBRSO Apprehends 3 in Stolen Vehicle Following Short Pursuit

East Baton Rouge Sheriff's deputies were contacted today at approximately 1:30 p.m. in reference to a stolen vehicle in the area of O'neal Lane and Old Hammond Highway. Deputies responded to the area and located the vehicle occupied by three men. When deputies tried to stop the vehicle, it fled. Deputies pursued along with BRPD. Shortly after the pursuit began, the suspect vehicle was involved in an accident with another vehicle it forced off the roadway at Old Hammond Highway and Gloria. The driver of the victim's vehicle had no visible injuries, but was transported to be checked out. Deputies immediately apprehended one suspect at the vehicle, the other a short distance away as he tried to run and the third approximately five minutes later running through back yards on Gloria. All three men will be charged with Illegal Possession of Stolen Things (the vehicle they were in was reported stolen on April 18th off Mason Drive) and Aggravated Flight. Other charges may be pending. All roadways should be open in the next five minutes. An update will be sent out with the names of the suspects once the information is available.
